If your income is less than or equal to the following guidelines you are eligible for free or reduced-price meals. These guidelines are effective July 1, 2021 through June 30, 2022. If you have children who are approved for Supplemental Nutrition Assistance Program (SNAP) formerly known as Food Stamps, Temporary Assistance for Needy Families (TANF) or Food Distribution Program on Indian Reservations (FDPIR), they are automatically able to receive free meals by filing an application that includes their assistance number from one of those programs. Students who are migrant, homeless, or runaways are automatically eligible and do not need to fill out an application. Foster children receive free meals regardless of the income of the household with which they reside. Note: Medicaid and Denali Kid Care case numbers do not qualify for eligibility.

An income scale is used to determine eligibility for free and reduced price meals.
